**Certificate**  
of attendance to the scientific program  
awarded to

**Dr Ségolène FAYS-MICHEL**

Ali PIRAVESH, Netherlands  
Plastic Surgeon

6 CREDITS

The 'The Pre-Congress Courses - AMWC 2015 - Practical Training in Aesthetic and Anti-Aging Medicine' is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net). The 'The Pre-Congress Courses - AMWC 2015 - Practical Training in Aesthetic and Anti-Aging Medicine' is designated for a maximum of (or 'for up to') 6 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme). Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1), as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
